

Iffy thoughts are less accurate, unhelpful ways of viewing a situation.

Play Up

Thinking that your problem is worse than it really is. Also, thinking that someone else's success is greater than it is.

Play Down

Thinking that your achievements are no big deal. Also, thinking that others' weaknesses aren't so bad.

Explaining away your positive experiences.

Thinking is based on negative feelings.

Paint Everyone With The Same Brush

With little information, you use words like "all", "always" and "never" to form your opinion.

READ SOMEONE LIKE A BOOK

Believing that someone is thinking negatively about you.
